MUR 6549

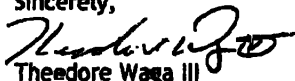

Dear Sir or Maam,

This correspondence is in response to MUR 6549 received by me on 4/16/2012. As a candidate for the U.S. Congress I did purchase radio spots on a local talk radio station. I responded to the station to record my portion of the commercial. I was the only speaker in the spot, clearly identified myself, did not refer to any other candidate and was clear about the office I was running for. The radio station that I was working with is a popular talk radio station that specializes in politics. Furthermore I was working with the sales manager so I assumed everything would be handled properly and all necessary requirements would be taken care of by the radio station. As a sergeant for the Baltimore County Police Department and Commander of the Baltimore County Auxiliary Police Team, I work Monday through Friday from 6:00 AM-2:00PM. My radio spots were scheduled to run only on Mondays at 7:00 AM, 8:00 AM and 9:00 AM. Since the radio station's signal does not reach all the way down to Baltimore, MD from York, PA I was not in a position to hear my radio spots.

Upon receiving the complaint I contacted the radio station sales manager and was told that the "paid for" tag was added to all of my spots only a few days into my campaign. The complainant, Mr. MacDonald, did not specify dates nor times so I cannot say for sure that any of the spots were missing the tag and, if so, how many it was missing from before the radio station corrected their mistake. I can assure you that there was no malicious intent and that, if a mistake was made, it was quickly corrected by the radio station. I have attached a copy of the letter from the sales manager, Nikki Hilton as well as a CD of the radio spots with the "paid for" tag.

I hope that the information and evidence that I have supplied is sufficient for me to receive a favorable decision as my only intent is to serve my nation as I have served Baltimore County and work toward securing the future strength and prosperity of our Country. If any further information is needed please do not hesitate to contact me at my cell phone number listed below.

Sincerely,

  
Theodore Waga III
